

Athletic Training Education Program Criteria Checklist

The ATEP at Sterling College is limited in its capacity to accept Athletic Training Students. Each academic year the ATEP selects the top five candidates for admission into the program. Selection of candidates comes from the completion of admission requirements. Below is listed the criteria and the point values assigned for each one. In order to be eligible for acceptance into the ATEP a student must have a minimum of **16.5** points awarded. **Each criteria below must be completed prior to acceptance.** Final acceptance into the ATEP will be based upon the number of student candidates and at the discretion of the ATEP program director.

Student: _____
