It is my belief that Camp and Conference Ministry is frontline evangelism and is important to the life of the Church. Camp and Conference Ministry is a place where transformation can take place, relationships can be built and leadership is developed.

Mound Ridge Camp and Retreat Center is located in the Ozark Mountains in central Missouri overlooking the Meramec River. The camp includes over 300 acres of undeveloped forest. The facilities include a lodge, recreation hall, dining facility, conference center, hermitage, many cabins, an outdoor chapel, and a team building challenge course. It is used year-round for programs of spiritual growth and Christian education for children, youth and adults.
