Job Description:

Interested in a career with a fast-paced retailer who embraces change and creative thinking? As a Walmart intern, you will have the opportunity to gain a realistic job preview of working in a dynamic, fast-paced retail environment.

A Walmart paid internship will teach and give you practical skills above and beyond your classroom experience. You will gain knowledge and experience from the most successful and largest retailer in the world. Interning for Walmart will set you up for a bright and successful future and also give you the necessary experience to become competitive in future endeavors.

Interested students may begin applying for our Summer 2011 program on September 14, 2010. Submission ending date is February 28, 2011. We will have opportunities available in a variety of areas, including but not limited to the following: Merchandising, Product Development, Replenishment, Risk Control, Supply Chain and Transportation, Accounting and Finance, Information Systems, Walmart Store Operations (corporate), Benefits/Claims, Sam’s Club (corporate) and Human Resources. Positions will be added as we go through the process, so check back often.

Note: All Corporate Internship Program positions are based out of Bentonville, Arkansas unless otherwise noted.
