

Sterling College Career Outcomes

Class of 2018

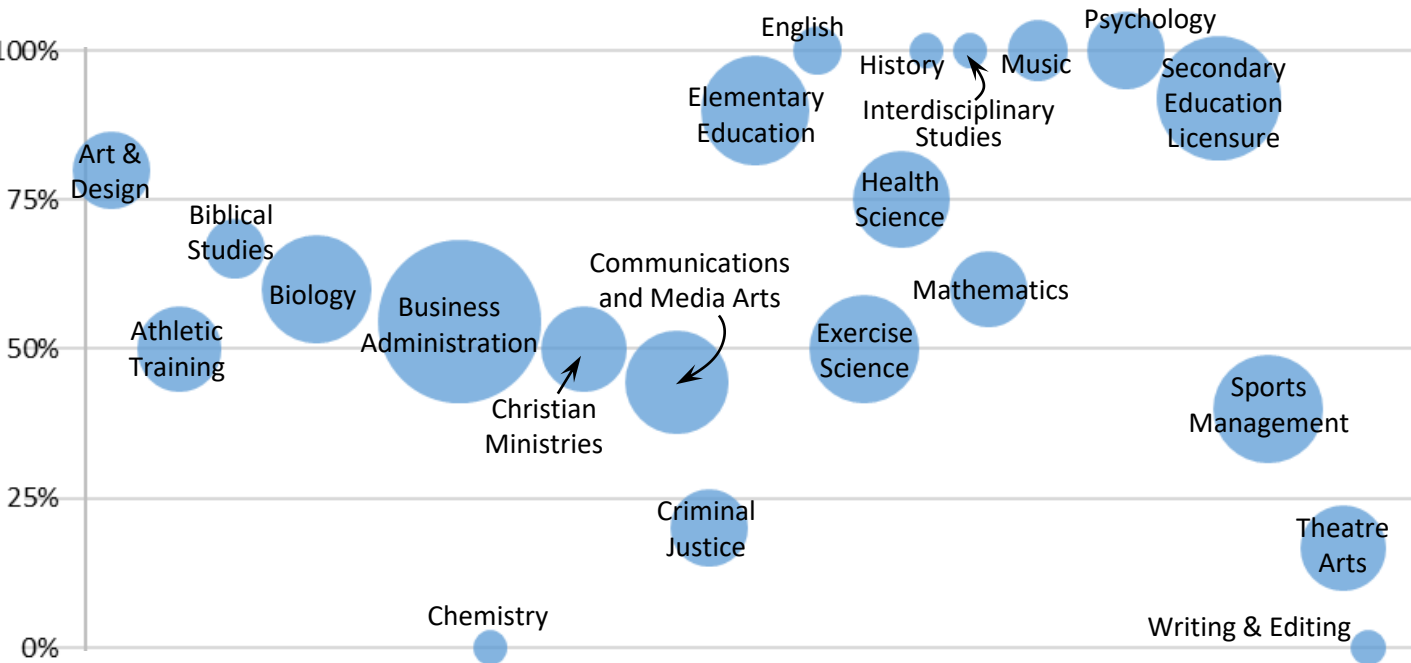

What are Sterling Grads Doing Now?

60%
of our grads are either Employed or have plans for Grad School

92% of our grads in full-time roles are in a job related to their major

How many are Employed or have Grad School Plans (by Major)?

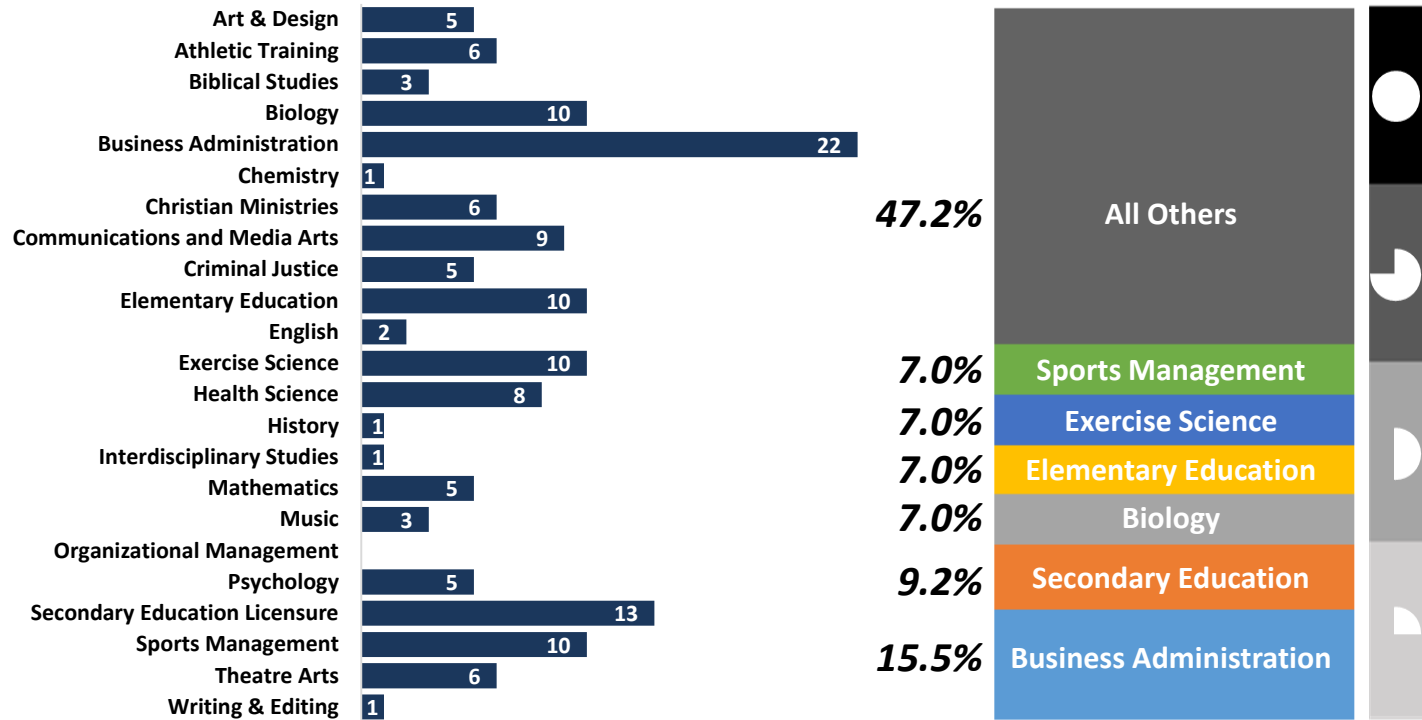

* The size of each circle represents the number of graduates
 * The center of each circle corresponds to the percent of grads employed or with grad school plans

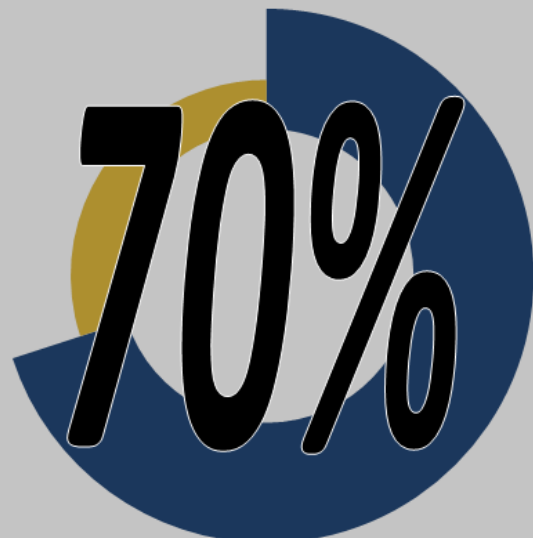

Sterling College Career Outcomes

Class of 2018

How many graduates did we have (by Major)?

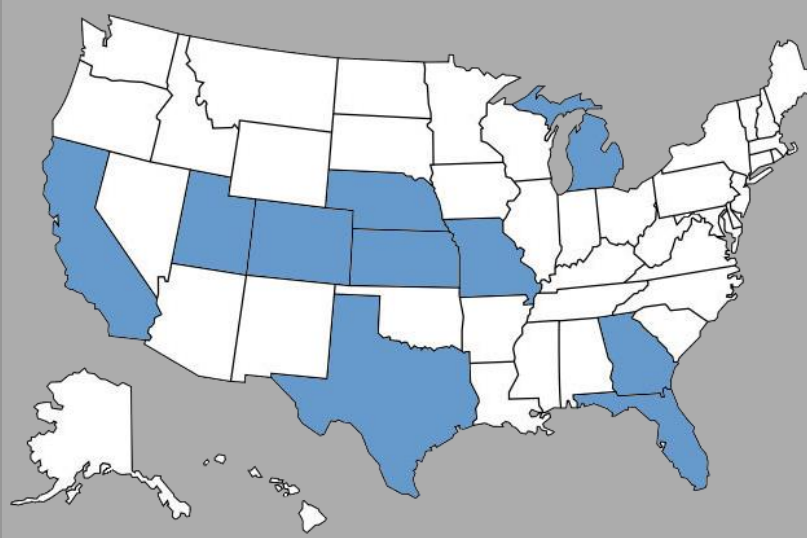

How many had internships?

... of our students had at least 1 internship before graduation.

Where were those internships?

Our students had internships in 10 states, Angola, and Japan. By far, most of the internships were in Kansas...not surprising since many are worked on and around campus, and the school districts where our future-teachers perform their clinical teaching tend to be close to campus.
