Dependent Institutional Verification Worksheet (Group 1)

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The Department of Education regulations state that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. You may be asked for additional information. **If you have questions about verification, contact the financial aid office as soon as possible so that your financial aid will not be delayed.**
