

July 15, 2019

Dear SC Class of 1959 and Friends -

As thoughts of you came to me this morning, I was aware of how God brought us together to share a portion of our lives while at Sterling College. He enabled us to be family drawn together from East, West, North and South. We shared fun, tears, good times, offenses, encouragement and forgiveness. He called us to follow Him - we responded, we rebelled, He forgave us, loved us and taught us to respect and love each other. Our years together at Sterling were a formative part of who we became, and which now continue to draw us together.

Now 60 years later, yes we all have changed - we have canes, wheelchairs, walkers, pacemakers, hearing aids, glasses, artificial parts, voices that no longer sing at perfect pitch, wrinkles, flabby muscles, and minds that grasp for names. We still enjoy recalling events and accomplishments of those SC days and being reminded of good times and even the pranks shared.

Remembering our 50th reunion, we look forward to being with you again, sharing the road of life we've traveled, its detours and the faithfulness of our Lord. Please contact your special friends, roommates, etc. and plan to meet at Homecoming October 11-12, 2019.

Please respond to the Sterling College Homecoming mailing which you will receive in the next week or so. If you are flying into Wichita or Salina, we will meet you and get you to Sterling.

Please call or email your questions to the Alumni Director, Susie Carney (620-278-4228, [susie.carney@sterling.edu](mailto:susie.carney@sterling.edu)) or to one of the committee listed. We will make every effort to assist you.

Blessings, Betty for the 2019 committee.
