Dear Class of 1969:

50 years ago we were thinner, had no grey hair, had instant recall of names, and were all looking forward to applying our Sterling College education to a career. Now it's time to share your life journey by coming to our 50<sup>th</sup> Class Reunion on October 10-12, 2019.

We, your Reunion Committee, (see list below) want you and your spouse to make every effort to return to Sterling and re-connect with your classmates. This is an important occasion in our lives and we want you to be here.

We have made special plans to provide you with the best opportunity to relax and visit with your classmates and other alumni who return for Homecoming.

You will find enclosed with this letter:

- A request for your **picture** and a **short biography** to be included in **“Whatever Happened to the SC Class of 1969” Reunion Book**.
  - *We really need & want you to do this and send it in! Please do it!*
  - You will receive a digital copy of the book and enjoy reading about and seeing your classmates!
- A schedule of events for our Reunion weekend
- List of hotels/motels in the area for lodging

Our reunion will be a bigger success if YOU are here!

Your 1969 Reunion Committee,
